

Seasonal Applique By [SEW WEIRD DESIGNS](#)

These designs are 3 step applique. It is the simplest way to do applique with perfect results.

Step one is the "placement stitch" this stitch can be used in any color and is sewn to show you where to place the fabric.

Place the fabric over the placement stitching. You can use a tacky spray to hold in place.

Step two is the "Secure Stitch" this is a triple stitch that is used to hold down the fabric. Trim close to the secure stitch.

Step three is the "Outline Stitch". This is a satin stitch used to finish off the edges.
