

NOT Too Cool For School Smartie Pants

Smartie Pants

Diane Tracy sent me a picture of her Smartie Pants that she makes for craft shows. We both knew they would be easy to make in the hoop so with her idea and my digitizing we have the "Smartie Pants"

Show that student how proud you are of them with these cute.

Smartie Pants!

Hoop fabric using a cut away stabilizer

Before sewing out the last color (outline) remove from machine and tape down a piece of felt. Place back on machine and sew out last color (outline)

Remove from hoop and cutout around outline.

*You've answered questions & taken tests;
You put aside your "can'ts."
And now your report card shows
that you're a "smartie pants!"

*you are so cool...you're good in school
You work hard every chance!
I think you're neat...you deserve a treat!
You awesome smartie pants!
